## Description

The apartments are located in a quieter and isolated part of the island of Rab, surrounded by a small number of houses, almost imperceptible traffic and minimal contact with the outside environment, which provides a feeling of perfect peace and complete relaxation. You and your family will be greeted by a beautiful and tidy space with a direct view of the sea which is only fifty meters away (on foot) with several types of beaches in the environment, ideal for couples with children. The house consists of two apartments (each for four people) and two studio apartments (each for three people). Everything was completely renovated in 2018. The apartments and studio are fully equipped and include SAT TV, internet, air conditioning and secured parking. The biggest feature of our space is a perfectly quiet environment that is accompanied by the sounds of crickets, seagulls, waves and the occasional tourist boat. Traffic around the apartment is very rare and there is no congestion of tourists, cars and facilities. You can send children carefree to swim and play.
